

Modular Buildings and Titles

Have you thought about purchasing a used, prefabricated modular building? This often proves to be an excellent choice when financial and expansion needs must be achieved. There are many things to consider when purchasing a used, prefabricated modular building. Modular Solutions Ltd would like to assist you through this process.

When purchasing a used modular building for your organization you will want to make sure that the prefabricated modular building has a free and clear title. Most modular buildings are titled through the state transportation department. The Modular Solutions Ltd team has the experience to help verify that titles are clear on the prefabricated building that you want to purchase. Some prefabricated modular buildings may not have titles, and Modular Solutions Ltd can help to verify if this is the case. If the prefabricated building has a title, the staff at Modular Solutions can answer questions that you have regarding transfer or dealer reassignment of titles. Dealing with the Department of Transportation requires experience to ensure efficient and correct transfer of titles when you purchase your used prefabricated modular office or building. Let the experts at Modular Solutions Ltd help you through this process.

In addition, Modular Solutions Ltd can prefabricate a brand new modular building to meet your needs. There are many benefits to a new prefabricated modular building. It is much less expensive than a traditional build, and it can be installed 45 – 60 days from the day you accept the bid from Modular Solutions Ltd. If a traditional build is not in your budget, please consider a prefabricated modular building to meet your needs. You can make all the same design choices and we can assist you with all aspects of your expansion, including the fulfillment of title requirements.
