### FACTORY LOCATIONS

Modular Solutions, Ltd holds a GSA contract for modular buildings.

Our corporate offices are located in Phoenix, Arizona.

Through our 30 year relationship with local manufacturing firms we are able to offer the modular homes and commercial buildings across the Nation, to save money on freight.

Some factories only specialize in residential homes, and others only specialize in factory built commercial Modular buildings.

Modular Solutions, Ltd will match your specific space need with the most appropriate factory, for the space requirement.

Our goal is help you find a building/home that will meet your aesthetic, structural, building code, schedule and budget goals.

Call our experienced team to get a pricing package today.
